C. P. R. Officials
Visited SidneyCanadian Pacific Traffic Officials Visited
Sidney Yesterday in Con-
nection With Auto Ferry

Capt. J. W. Troup, manager of the C. P. R. B. C. Coast service, together with Capt. C. D. Noroutson, marine superintendent, and several Vancouver officials, visited Sidney yesterday morning. It is understood the party was looking over the ground in anticipation of certain work to be undertaken in connection with the auto ferry service proposed by the C. P. R. between the Mainland and Vancouver Island.

The party spent some time in Sidney looking over the ground and then departed on the Island Princess on a visit to several of the Gulf Islands.

SIDNEY SCHOOL WINS AGAIN

At the children's sports held yesterday afternoon in connection with the exhibition at Saanichton, the Sidney school again gained the most points of any school represented, thus winning the cup for the second year in succession. The cup was donated by D. Spencer, Ltd., Victoria. Mrs. Spencer will shortly come to Sidney to present the cup to the Sidney school.

GIFT TO MISS McNAUGHT.

A very pleasant evening was spent last Friday at the home of Mr. and Mrs. J. Stanley Brethour, the orchard, when the teachers and rector of St. Andrew's Sunday school spent a social hour or two and as a farewell evening to Miss Jean McNaught, who had severed her connection as a Sunday school teacher of St. Andrew's on account of attending Normal school in Victoria. A clothes peg doll dressing contest created considerable amusement during the evening, the first prize being won by Miss Amy Livesay. During the evening, Rev. T. M. Hughes, on behalf of the teachers and superintendent of the Sunday school, presented Miss McNaught with a copy of "Daily Life," wishing her well in her future work.

The hostess served a very dainty luncheon during the evening, which all enjoyed. Those present were Miss Landers, Miss Rosa Matthews, the Misses Livesay, Mrs. F. Forneri, Rev. T. M. Hughes, Mr. and Mrs. J. Stanley Brethour.

News Gathered
at Ganges HarborLadies' Aid Held a Very Successful
Sale Last Wednesday at Home
of Mrs. Jane Monat

(Review Correspondent)
GANGES, Oct. 3.—The Ladies' Aid held a sale of home cooking and vegetables at the home of Mrs. Jane Monat last Wednesday afternoon. There were two tables well filled, one with bread, cakes, buns, cookies and candy, and a large variety of vegetables on the other table. All was sold out quickly. Tea was then served to the little ones as well as the ladies.

Mrs. Constance Harvey is spending a few days in Victoria and Nanaimo.
Gordon Thompson, of the Dominion Hotel, Victoria, left for home on Friday with a fine bag of blue grouse which he shot here during a short hunting trip. He was the guest of Mr. and Mrs. J. N. Rogers.

Congratulations to Mr. and Mrs. Conroy, of Pender Island, on the birth of a daughter at the Lady Minto Hospital.

Miss Diana Crofton is spending a few days in Victoria.

Mr. Frank Crofton was in Victoria on business last Friday.

Mr. Dermot Crofton was in Victoria for a few days the first part of the week.

Dr. Linham and Mr. Burgess, of Vancouver, have been the guests of Mr. Linham, of Victoria, at Maxwell's Lake. They returned to Vancouver with nice bags of birds.

Miss M. Kelly, who had been at Bainsbury for some time, left on Tuesday for Salmon Arm.

Mrs. Chaplin, Sr., mother of Mr. L. Chaplin, of Vesuvius, left on Tuesday for her home in England. Mrs. Chaplin had spent nearly a year on Salt Spring Island.

Mr. W. M. Monat, delegate from Ganges to the Liberal convention at Nelson, returned on Monday. The engine of the train on which he was returning struck a boulder and went off the track. Fortunately, the other cars stayed on and the passengers received only a severe shaking up, which awoke them. The accident happened about 11.15, and most of the passengers were in their berths.

Mrs. Dara Johnston and her little son, Freddie, returned to Victoria on the Charming, they having spent a couple of weeks with Mr. and Mrs. John S. Rogers, her father and mother.

Congratulations to Mr. and Mrs. Goodrich, of Vesuvius, on the birth of a daughter at the Lady Minto Hospital.

PRIZE ESSAYS.

In the Review competition for the best essay on the exhibition held at Ganges last month, Nora M. Johnson, of Ganges, has been awarded first prize, and Gwain Noot, of Ganges, has been awarded second prize. The essays appear in this issue.

BROKE HER ARM.

Little June McKilligan, daughter of Mr. and Mrs. H. A. McKilligan, had the misfortune to fall and break her arm last Thursday afternoon while running on the sidewalk. She was immediately given medical attention and is progressing favorably.

Record Exhibition
at SaanichtonLargest Entry List Since the Formation of the Asso-
ciation Fifty-Four Years Ago; Large
Attendance of Visitors

With a record entry list of 1,500, the fifty-fourth annual exhibition of the North and South Saanich Agricultural Society opened yesterday at the Agricultural Hall, Saanichton. Although the weather was threatening in the morning, it cleared up in the afternoon, and this had the effect of inducing a large number of people to attend from Victoria and various other centres. The official opening of the exhibition took place about 1.30 p.m., this pleasant duty being performed by Mr. F. A. Pauline, M. P.

Luncheon and tea were supplied in the hall during the afternoon by the members of the South and West Saanich Women's Institutes.

One of the outstanding displays at the exhibition was that of the Sidney Experimental Farm, which occupied one side of the hall. It was divided into compartments, in which were shown poultry, bottled fruit, fresh fruit, a model silo and grains. Transparent colored pictures between each compartment were lighted by electricity, which was very effective. The exhibit was in charge of Mr. E. M. Straight, superintendent of the farm.

This year's showing of fruit, vegetables and roots was excellent and of large variety, being the largest on record. The largest display of fruit was in the apple section. Grapes, walnuts and peaches were also well represented. The two entries for the Layritz prize for the best fruit collection were of a very high order. Potatoes and mangels predominated in the vegetable section, there being keen competition for the Tolmie Cup for the best collection of vegetables.

This year's display of honey and beeswax was excellent.

A cider press donated to the North and South Saanich Agricultural Society by Messrs. Geo. Michell & Son, attracted considerable attention. There were also cider barrels shown by Mr. A. Neaves.

One entry of considerable merit in the section devoted to women's work was a patchwork quilt made by Mrs. G. W. Little. There was also an exhibit of hooked rugs by Mr. J. Morris, which was very good.

In the photographic entries, Mr. J. W. Palmer won both prizes.

The Provincial Department of Agriculture had a very interesting and educational exhibit of weevils and other pests, and the various methods of combating them. The weevil barrier being used successfully by a number of Saanich farmers, was also shown.

The manual training work exhibited by the Saanich school children was excellent, the display being arranged by Mr. Hunter, manual training instructor. The prize model was a beautiful table, containing drawers, was made by Tony Rosamus.

The children's work section had a large number of excellent exhibits, including sewing, crocheting, baking, penmanship, painting, pencil drawing and plasticine modelling.

There was an excellent showing of plants and cut flowers, the number of exhibits being larger than usual. Fuchsias and ferns were very noticeable, as also were the dahlias.

A large number of grains, grasses and seeds were on display, the competition in these sections being very keen.

The entries of live stock was very much in excess of former years and created considerable interest among the large number of visitors present.

There was an enormous amount of work in connection with the exhibition this year in view of the fact that there was a record number of entries, and the secretary, Colin A. Chisholm, and other officers of the association, are to be heartily congratulated.

GIRLS' W. A.

Miss Alice Turner, Girls' Secretary of the Diocesan W. A., Victoria, was the guest of the Girls' W. A. at their regular weekly meeting held at the home of their president, Mrs. T. Harrison, last Monday evening. It was one of the largest meetings ever held by the organization, seventeen being present. Miss Turner spoke on the aims and objects of the W. A., answering questions on the subject to the satisfaction of all present. Mrs. T. Harrison moved a hearty vote of thanks to the speaker, which was seconded by Miss Rosa Matthews and endorsed very heartily by all the members present. After a dainty luncheon had been partaken of the girls accompanied their guest to Tripp station, where she took the B. C. Electric train for Victoria, with an invitation to come again in the near future.

One new member, Miss McIlmoyl, was welcomed at this meeting.

News From
Mayne IslandMr. Henry Georgeson Presented
With Imperial Long Service
Medal Last Week

(Review Correspondent)
MAYNE ISLAND, Oct. 2.—Mr. and Mrs. Morgan, Mrs. and Miss Stewart, Mrs. New, John Kinnald and Alan Stewart came over to Mayne last Tuesday afternoon.

Miss Vera Robson has returned to her home after a very delightful holiday in Vancouver, where she was the guest of Mr. and Mrs. Cyrus Dean.

Mr. Robbie Jack is visiting on the Island.

Mrs. George Maude spent a few days in Victoria last week.

Mr. Cotsford, from Salt Spring, was a visitor on Mayne during the week.

Mr. Bennet was busy with all hands last week fixing up the silo.

We are sorry to learn that Capt. Waugh has gone to Victoria to undergo treatment at the Jubilee Hospital.

Sunday evening at St. Mary's the Harvest Festival was held. The church was prettily decorated with fruit and vegetables. The Rev. C. Price officiated, staying over night on the island and returning to Pender on Monday.

Tuesday, Capt. Scones came over to Mayne to take the Charming for Vancouver.

Mrs. Grimmer came over with a friend to catch the Charming for Vancouver.

Mr. and Mrs. Bert Emery returned from a very pleasant holiday spent in Victoria and Vancouver.

Last Tuesday afternoon, in the presence of a large party gathered on the wharf, Mr. Dickie, M.P., presented Mr. Henry Georgeson with the Imperial Long Service Medal. Mr. Dickie, in a few well chosen words congratulated Mr. Georgeson on the work he had done during his 37 years of service and called attention to how useful his work had been to many a mariner in bad weather, and that he hoped that Mr. Georgeson would live long to enjoy the pension he so richly deserved. With three cheers for Mr. Georgeson and three blasts from the Charming whistle, the steamer being at the wharf at the time, the bright little ceremony ended.

Calling on Galiano last week I was astonished to see a wonderful display of autumn flowers in Miss Ada Bellhouse's garden. The color scheme was most attractive, purple and mauve predominating.

Mrs. Henry Georgeson spent several days visiting on Mayne Island last week.

LIBERAL CONVENTION.

The convention of B. C. Liberals took place last Thursday and Friday at Nelson. The Islands division was represented by Mr. M. B. Jackson, M.P., and Messrs. W. M. Mout and W. H. Dawes. Mr. Dawes returned to Sidney last Monday morning. The special train conveying the delegates from Nelson was delayed, owing to a rockslide, about 16 miles the other side of Hope, the engine turned over on its side, but fortunately no one was hurt.

The convention was a big success from every angle, the number of delegates exceeding expectations. The consensus of opinion is that the convention will be of great benefit to the Liberal party. Premier John Oliver received a rousing reception. Mr. M. A. McDonald, K. C., was re-elected president. Mrs. Mary Ellen Smith vice-president. The executive is composed of the presidents of the district associations.

Many resolutions were passed, one of special interest to this district, advocating the total exclusion of orientals.

The Nelson Liberal Association entertained the delegates at a banquet on Thursday evening, and afterwards at the picture show, where some wonderful views of the district and also of the Trail mines were shown. Mayor McHardy opened the convention with an address of welcome which was greatly appreciated.

We would like to have that news when it is news. But be sure it is. The Review reporter you are speaking to. There are other reporters in the district, but they sometimes neglect to say they do not represent The Review.

Nervous Breakdown

The extreme depression and discouragement which comes over one at times is the most alarming symptom of nervous exhaustion.

This letter is a message of hope to all who find themselves in this unfortunate condition.

Mrs. Geo. T. Tingley, Albert, N.B., writes:—

"For years I was in a very nervous, run-down condition, was much depressed in spirits and suffered a great deal at times. The least noise would irritate me and at times I felt as though I certainly would go crazy. I consulted different doctors to no effect."

"A friend advised the use of Dr. Chase's Nerve Food and I can truly testify today to the great benefits received. There was a marked change before I had finished the second box and when I had used a dozen boxes my nerves were thoroughly restored and I was entirely relieved of those terrible feelings I used to have. I shall ever be ready to testify to the benefits of this wonderful medicine, feeling sure that it will give to others the quick and permanent relief it has given me."

The Right Way

A friend told us the other day how he almost lost a good nurse. The girl was excellent in her position, but when she answered the telephone she spoke into it as if she was standing on the back step shouting across lots. It was pointed out to her that the telephone was a very responsive instrument and all that was necessary was to speak in an ordinary tone of voice.

"I guess I know how to answer the telephone," she replied, with a little heat. And it took a couple of hours to pacify her.

How do you answer the telephone?

MANY AUTOISTS PAY VISIT TO CANADA.

Returns compiled by the Canadian department of customs indicate a 600 per cent increase of motor traffic in Canada. Automobiles entering Canada for touring purposes during the last calendar year totalled 617,285, compared with 93,300 for the previous calendar year.

Of the total number of cars registered in the last calendar year 615,074 remained in the Dominion for less than one month and 3,211 for more than one, but less than six months. The parks branch of the department of interior has calculated that this motor traffic represents an expenditure in Canada of more than \$108,000,000, and it is estimated by the same authority that on a basis of 8 per cent "improved roads are worth over \$2,000,000,000 without taking into account the service they render Canadians themselves."

The parks branch estimate of expenditure in Canada by motor tourists is based on a stay of seven days for the larger number of cars and thirty days for the smaller number, while the daily expenditure for the former is put at \$25 and \$30 for the latter.

The registrations in the different provinces were as follows: Nova Scotia, 223; Prince Edward Island, 22; New Brunswick, 1,826; Quebec, 43,264; Ontario, 437,383; Manitoba, 3,080; Saskatchewan, 427; Alberta, 363; British Columbia, 25,957.—Seattle P.-I.

THE DESIRE OF EUROPE.

Europe at this moment wants peace and the security which peace brings, wants it quite sincerely and earnestly. There is no insuperable difficulty, yet the thing escapes us; there is no sense of security. On the contrary, there is universal anxiety, a sense not of release but of impending calamity. Trade is paralyzed, suffering grows, and half the nations of Europe are faced with economic collapse. It is a hideous anomaly, yet the statesmen of Europe seem as far as ever from redressing it, and Europe itself drifts steadily towards disaster. Perhaps the first responsibility for a finding a way out of the tangle and restoring sanity to a mad world rests upon our own country. We are least threatened with any immediate danger, our economic system has stood the strain of war better than that of any other great European country, and, greatly though we have suffered and are suffering, we are disturbed by no alarm of invasion or revolution, and we are confident of recovery. Our statesmen are aware of their responsibility and eager to discover a road of escape, and the people at large are ready to lend them all possible support. A fresh initiative is needed, greater accord and co-operation at home, a simpler and more resolute approach abroad. Will they be forthcoming?—Manchester Guardian.

GUILELESS TENANT PRAYED FOR LANDLORD

Landlords have probably been the same since the first frame shack was put up by the Neanderthal man, but the world was a different enough place then that they could be moved as ordinary human beings are. A correspondent of the Montreal Gazette reports finding an old newspaper clipping containing a copy of the "Prayer for Landlords," reputed to have been taken from the "Prayer Book of Edward VI" and to have been found among "Sundry Godly Prayers for Divorces Purposes." The prayer has no place in the modern liturgy, however applicable it may be today. The prayer:

"We heartily pray Thee to send Thy Holy Spirit into the hearts of them that possess the grounds and pastures of the earth, that they, remembering themselves to be Thy tenants, may not rack or stretch out the rents of their houses or lands, nor yet take unreasonable fines or moneys, after the manner of covetous worldlings, but may so let them out that the inhabitants thereof may be able to pay the rents and to live, and nourish their families."

SAVAGERY IN IRELAND

The bias towards frightfulness in Ireland is rapidly developing, and no dispassionate is made of the reason for inflicting savage punishment upon the civil population. When the people of Carrick-on-Suir protested against the blowing up of their bridges and the destruction of their water supply, they were told that this was what they got for voting for the treaty. It will not be the fault of the irregulars if a single civilian supporter of republicanism is left in Ireland.

YOUR EDITOR SPEAKS

We love this town, there's nothing like it, however far and wide we hike it. We're glad we came, we gladly linger and sling the type with nimble finger. Our feet and heart are oversize; with weal or woe we sympathize. We're tickled as that budding Beecher wren church folks raise the local preacher. From Jimmy's Smith's first wailing breath to when his eyes are closed in death, there's scarce a word or work or caper but interests the local paper. The members of the Ladies' Aid by whom the first prize pie is made, we're good and glad to celebrate her, and, if unwed, thus help to date her. Each doubting Thomas to convince, we give her recipe for mince, and say our teeth have never sunk in a pie so pleasing as her punkin. When Minnie finds her latest pet as good as she will likely get, we print kind words about the wedding, e'en though we fear they'll have hard sledding, celebrate the bride and groom and hope to see the birthrate boom. We want the news but want the best; we censer some and print the rest. Send in the facts and keep them coming, we like them fresh and hot and humming. Send in the news but search your heart; be sure it holds no poisoned dart. In all the land there is no cuss so mean as old Anonymous. We go each night in peace to roose if we have done our daily boost; but nightmares come to fright and shock for every mean and measly knock.

UNUSUAL CARD OF THANKS

An unusual card of thanks is quoted as appearing in the Newburgh (Oregon) Graphic. It reads:

I wish to express my heartfelt thanks to all those who contributed to the comfort of my brother during his illness and assisted his family in their bereavement; and to all those who profited by their misfortune would refer for consolation to the 14th verse of the 23rd chapter of the Gospel according to St. Matthew.

WORDS OF WISE MEN

Literature is the immortality of speech.

It is easier to say it than unsay it.

Never buy what you do not want because it is cheap.

Folly sows broadcast. Wisdom gathers in.

Be wise, soar not too high to fall, but stoop to rise.

Piece out your imperfections with your thoughts.

A scar nobly got is a good livery of honor.

Purity is the feminine; truth the masculine of honor.

It is an old saying that charity begins at home, but this is no reason—it should not go abroad.

Every man is valued in this world as he shows by his conduct that he wishes to be valued.

Knowledge is that which, next to virtue, truly and essentially raises one man above another.

The desire for knowledge, like the thirst for riches, increases ever with the acquisition of it.

He that will make a good use of any part of his life must allow a large portion of it to recreation.

Every man, however humble his station or feeble his powers, exercises some influence on those who are about him for good or evil.

A man should never be ashamed to own he has been in the wrong, which is but saying, in other words, that he is wiser today than he was yesterday.

FRENCH DRESSING.

A glass bottle with a stopper may be bought for French dressing. All the ingredients are placed within it and thoroughly shaken before serving.

THE QUICKEST WAY

To beat up egg whites is to rinse a plate with cold water before breaking the eggs into it, add a pinch of salt and stand where a current of air will strike them.

SOGGY POTATOES.

It will make the boiled potatoes heavy if the water is allowed to stop boiling while they are on the stove. Keep it bubbling.

STARCH THE RUGS.

If the rag rugs are starched a little the next time they are washed it will prevent them from curling at the corners and cause them to lie flat.

TEAR IN THE RAINCOAT.

The rip in the otherwise good raincoat can be mended by pasting a piece of adhesive tape larger than the slit on the underneath side of the coat. It will hold, show and the coat will be as good as new.

First Prize Essay on Ganges Fair

By Nora M. Johnson, Ganges Harbor.

The twenty-sixth annual exhibition of the Islands Agricultural Association was held on Wednesday, Sept. 13, in the Mahon Hall grounds. The president of the association, Mr. W. E. Scott, called on Mr. M. B. Jackson, M.P.P., to formally open the exhibition, which he did in a few well chosen words.

The exhibition was favored with a glorious day, very hot but with a gentle sea breeze, which made the day endurable. The number of attendants was about equal to that of last year, among them being a large number from Gabriola Island, Victoria and Sidney.

The exhibits this year were far more in number than that of last year, and also of much better quality. Most of the exhibits were in the hall and arranged ready for judging before 8 o'clock the evening before the show, so that some of the judging could be done by lamps that were on display by the More Light Company.

During the afternoon the Ganges orchestra furnished much, instead of the band of the Boys' Naval Brigade, which failed to put in an appearance.

The arrangement of the hall this year had an exceptionally pretty effect. Down the centre ran a long stand, and on this the needlework was placed. On top of this stand, a long narrow bench was placed, on which the "most artistically arranged bowls of flowers" stood. Down the sides and ends close to the wall, were tables on which the orchard produce was shown, also bread, pastry, bottled fruits, jellies, pickles and vegetables. Between the centre stand and side tables stood the "best decorated tables." These were exceedingly pretty and numerous, and added the finishing touch to the appearance of the hall. After the hall was opened, about 12 o'clock, for a short time music was supplied by a gramophone that was on display.

A cider press that stood at one end of the hall, was an object of interest. It was donated to the association by Geo. Michell & Sons for the use of the members.

The poultry shed held far more exhibits than last year, besides chickens there were geese, turkeys, ducks, rabbits and pigeons, all of which made a good showing.

The cattle judging commenced at 10.30 in the morning. The stock aroused much interest, and a great crowd gathered round the prize ring eagerly awaiting the results, which proved quite satisfactory to all concerned. The stock was of the most excellent quality, the pedigree stock being excellent. All the different sections were well filled. Much excitement was caused by eleven pedigreed Jersey cows, which the judge, Prof. Stillwell, said were better than some he had given first prizes to in city exhibitions. It took the judge a long time to decide which was to be the winner.

There were some very good horses shown, also some smart horses were ridden and driven.

A two-year-old sow with eleven little pigs drew much attention from the children, the adults also visited them. There were a few other pigs, but this one drew more than her share of attention.

Lunch was served from 12 to 2 by the Guild of Sunshine. Afternoon tea was also served during the afternoon.

In the afternoon, during the latter part of the judging, which was not of much interest to the younger children, races were held in a corner of the grounds, and these seemed to be thoroughly appreciated.

A new rule was made this year, no cars being allowed in the grounds. This gave far more room for races and other side shows.

After all the judging was over a football match took place, Ganges vs. Gabriola, which ended successfully for Ganges, the score being 2-0.

Altogether the show was a great success, the receipts at the gate exceeding \$180, and the secretary and committee are to be congratulated upon the success of their efforts.

Second Prize Essay on Ganges Fair

By Gwain Noot, of Foranby House School,

The twenty-sixth annual exhibition was held under the auspices of the Salt Spring Island Agricultural Society on Wednesday, Sept. 13, at the Mahon Hall and grounds. The members of the Association are to be congratulated upon the splendid success of the show, which was opened with speeches made by Mr. M. B. Jackson, M.P.P., and President W. E. Scott.

The attendance was no greater than usual though there were many visitors present. The amount of exhibits were, however, greatly increased, the public seeming to take much more interest than in previous years.

In the building itself the exhibits were most tastefully arranged and were very numerous; a long table down the centre was chiefly devoted to fine needlework exhibits. Prettily decorated flower tables on either side added an artistic touch to the appearance of the room, while around the walls the tables were laden with orchard fruits and vegetables.

Music was furnished during the afternoon by the

Ganges local orchestra, and a gramophone, the latter being on exhibition, while the Sunshine Guild had charge of catering for the day.

The ducks, turkeys, pigeons, poultry and rabbits, etc., on display in the poultry house, were numerous as well as of splendid quality. During the judging of the stock which the judge proclaimed excellent, sports were held on the grounds for both children and adults, and, as the weather was favorable, these were carried off with great success. A football match was played between Ganges and Gabriola, the former winning with two goals.

G. T. Michell & Sons showed their interest by generously donating a cider press for the benefit of the members of the association.

As the afternoon began to wear away the crowds gradually dispersed feeling that they had passed a pleasant day, some even planning for next year's exhibition, hoping to gain laurels with the knowledge they had derived from this year's show.

REVIEW OF CALGARY MARKET

(From Market Examiner, Calgary)

CATTLE

CALGARY, Sept. 28.—Beef—Calgary yards had a light run for the first part of the week, and by Wednesday the beef was in demand, and choice heavy steers are \$4@4.55; choice light, \$4@4.35; good, \$3.50@4.10; medium, \$2.50@3.50; common, down to \$2. Choice cows and heifers steady, \$3@3.25; heifers going a dime over; good cows, \$2.50@3; medium, \$2@2.50; common, \$1.25@2; canners, \$1.25 down to six bits. Bulls unchanged, with best at \$2 and down to \$1 for common. Calves steady, with choice veal \$3.50@4; common, \$1.75@2.1. Feeders and Stockers—Medium weight feeders, \$3.25@3.50; stocker steers, \$2@3.25. Stocker heifers, \$2@2.35, but selected bunches bring \$2.50. Stock cows, \$1.50@2; but not many taken out.

HOGS

Calgary receipts light for several weeks. No sales until yesterday, when some moved at \$10@10.25; Thursday's sales at \$10@10.15.

SHEEP

Calgary receipts fairly heavy last week-end; lambs make up to \$10.25; common down to \$8; wethers, \$6@7.50; ewes, \$3@6.

GRAIN

Markets have lost the beneficial effects of the war scare, and though conditions are not adjusted in the near east yet, the prospects are improved. Grain is being moved very rapidly to the east, and there is a scarcity of tonnage, which threatens to be serious. The disastrous effect of the war scare is that until there is a readjustment of the present difficulty it does not give European nations a chance to get down to production and get the money to buy our grain.

PRODUCE

Butterfat—Calgary creameries advanced prices today 2c on all grades; special, 34c; No. 1, 31c; No. 2, 28c; off grade, 23c; another advance shortly would not be surprising. Creamery butter—Carlots, basis specials, 35c; cartons unchanged at 36c and 40c on No. 1 and No. 2. Dairy butter—Fancy table at markets, 30c@32c; dealers buying on grade from 23c down. Poultry—Live shipments unchanged; chickens, 11c@13c; fowl, 10c@11c; old roosters, 6c. Dressed chickens and fowl lower, with former at 18c@23c, and fowl, 15c; some shipments of dressed fowl coming in spoiled. Potatoes—Only local demand, \$18@20 buying prices at Calgary.

DRESSED MEATS

Farm killed meats lower; hogs, 12c@13c; lamb, 14c@18c; mutton, 12c@14c. Calgary delivery.

HAY

Trade very quiet and weakening prices. Green feed very plentiful, and \$10@11 paid by dealers at country points; timothy offered at \$23 at Pincher and \$25 Coal-dale. Saskatchewan offers upland still around \$11. Upland in Alberta, \$13@18, according to shipping point.

HIDES

Market slow, but unchanged; prospects not very encouraging, owing to poor demand from tanners and heavy fall kill coming on.

FURS

Western trade quiet, and no change in prices at least until after New York sale, which opens next week. Prospects favorable for steady prices on the whole.

OF INTEREST TO WOMEN.

A league of university women has been organized in Austria.

Under the new constitution adopted in Burma, the women of that country are given equal rights with men.

The first Chinese woman to study dentistry was Miss Faith Sal So Leang, who was graduated from an American dental school in 1905.

While the old limitations of woman's dress in Persia have not been thrown aside, they have been greatly relaxed, and the women are increasingly careless in covering their faces.

In Sweden it is a popular superstition that a girl must not look in a mirror after dark by the aid of any artificial light, under pain of losing all attraction for the opposite sex.

Robert Stead's Latest Book

Romance of the Last Great Tide of Settlement in Saskatchewan Country is Theme

You will never have to ask that question "What is Canadian literature?" again when you have read Robert Stead's latest and, so far, his greatest novel "Neighbours."

There are few Canadians who are not familiar with this author's former novels, "The Homesteaders," "The Cowpunchers" and "Dennis Grant." This new book runs true to the Stead tradition of a good story, real humor, pure love and a real idea—even some real mystery, and it has more of the real atmosphere of life in it, than any other which has come to us in a long while. It is true writing, and will add fresh laurels to the fame of this already well-beloved author.

"Neighbour" relates how two families of young people, brother and sister, neighbours, in a little Ontario town; neighbors, fifteen years later on adjoining homesteads in the Saskatchewan country, find life and love. Their stories run smoothly until a young Englishman settles in the community, and upsets all expectations, including the reader's. But the best part of "Neighbour," and what makes it a great book, is the picture of the people who make up that far-scattered "Neighborhood" of homesteaders. Jake is the old villain who finds "locations" for the gullible newcomers; the "Sneezits" are a gaunt big-eyed Polak family, who live in a cave that the precious live-stock may have builded shelter—and the widow and the Scotch family—and the wedding! All of that is writing of the finest type, and places this Canadian book in high order among the best literature of today.

Hodder & Stroughton, Toronto, are the publishers of this happy novel of the Northwest.

Delightful Dance Given in Institute Hall Last Friday Evening by Mr. and Mrs. W. H. Lee

(Review Correspondent.) FULFORD HARBOR, Oct. 2.—On Friday evening Mr. and Mrs. Wm. H. Lee (nee Miss M. C. McLennan) gave a dance in the hall here. The large crowd in attendance testified to the popularity of the young couple. The music was supplied by the South Salt Spring Island Orchestra. Delicious refreshments were served during the course of the evening in the dining room, where Mr. P. S. Horol was responsible for everything including the artistic table decorations which were carried out with white lilies, pink sweet peas and white clematis. Everyone present enjoyed themselves thoroughly. Congratulations to Mr. and Mrs. J. A. Stewart, of Beaver Point, on the birth of a daughter at the Lady Minto Hospital on Sept. 29.

Mr. F. Reynolds returned home on Wednesday from the Northwest.

Mr. M. Lee is leaving tomorrow for Medicine Hat.

The work on the rock-crusher and new construction work on the Fulford-Ganges road ceased last Saturday.

Mr. Loveland and Mr. Little, of Victoria, visited the island last week in quest of game. They were registered at the White House.

SIDNEY SOCIAL CLUB.

The annual meeting of the Sidney Social Club was held in the dining room of the Sidney Restaurant last night, Mrs. Harrison in the chair. In the absence of the secretary-treasurer, Mrs. McMullen, Mrs. E. F. Lesage read an outline of last year's work. The election of officers resulted: Mrs. Harrison, president; G. A. Cochran, vice-president; Bert McKay, secretary-treasurer. It was decided to hold the social evenings in the dining room of the Sidney Restaurant for the time being, and the club's piano be stored for the present. The night of meeting was changed from Tuesday to Wednesday so as not to clash with other organizations. A special prize for the member getting the most point by the end of December will be awarded. At the conclusion of the business session a friendly game of 500 was played, followed by the serving of dainty refreshments. Mrs. Lesage and Mrs. Harrison were the hostesses for the evening.

VISITED OLD MINES

Mr. Alan Thomson returned to Sidney last Monday after several days spent in Seattle. While there he acted as guide to a party who visited the old Monte Cristo gold mines, about 80 miles out of Seattle, which have been closed down for some time. Mr. Thomson and party visited all the old workings of this one-time famous mine, which produced both gold and silver, and the entire party spent a most interesting time while there.
